START YOUR BUSINESS TODAY!

SMART

Form your new business entity with the professional help of an attorney.

FAST

Save time by having an attorney file your business on your behalf.

SECURE

Peace of mind knowing your business was properly formed. Plus, you'll have three months of legal coverage for your new business.

Experience You Can Trust

LegalShield has helped protect the rights and livelihood of millions of people for over 45 years.

Business Formation by an Experienced Attorney

An experienced attorney will help you choose the best business entity type for your situation and make sure it's set up and filed correctly the first time.

Fast and Affordable

Your attorney will quickly file your company documents with the Secretary of State so you can form your business without it costing you an arm and a leg!

A Simple and Straightforward Process

1. Start by answering a few simple questions about yourself and your business.
2. Your attorney will consult with you to help select the best entity option.
3. Your attorney will prepare and file all necessary forms with the state.
4. You'll automatically receive your final business documents in the mail.

Your attorney will be there throughout the entire process to review documents, answer any questions you may have and file all the paperwork needed to start your business. Let us help keep your business protected. There has never been a better (or easier) time to start a business.
